Four-Day Program Planned Here For Veterans Day

Much work and planning has gone into the first annual Lemon Grove-Spring Valley Veterans Day Observance being held this week at Spring Valley Shopping Center. The results promise to be gratifying, according to MSgt. Edward R. Edwards, a Lemon Grove resident who runs the Army recruiting office in La Mesa and has spearheaded the planning.

The public is invited to see what Sgt. Edwards and his committee — comprised mainly of the three veterans organizations in the LG-SV area — have gotten together. From indications, the public will be rather pleasantly surprised, according to the veterans who have been working on the program.

At 4 and 7 p.m. tonight, Nov. 8 at Spring Valley Shopping Center, the celebration in honor of local veterans will get off to a musical start with the appearance of the 72nd U.S. Army band. After that, a succession of events big and small will be taking place and anyone dropping by the Spring Valley Shopping Center during Thursday, Friday and Saturday of this week, will find something or other going on much of the time, Sgt. Edwards said.

TANKS TO BE SHOWN

On Saturday Army tanks will be on display in Lemon Grove at the parking lot of the First National Bank.

A contest is being held in connection with the four-day Veterans Day Observance. Definitely of a non-serious nature, the contest will run throughout the three days and winners will be named at the Sunday evening banquet in the Spring Valley Chamber of Commerce hall. (To enter the contest, one need only be a veteran residing in the Lemon Grove-Spring Valley area. See page 2 for entry blank and further information about entering).

Contest judges will be looking for the "meanest" and "strongest" as well as "prettiest" and other categories in the tongue-in-cheek competition expected to generate fun and laughter at Spring Valley Center. Tongue-in-cheek or not, the contest promises a big bunch of prizes to winners. Among prizes are ten $5 merchandise certificates good at S.V. Center.

GEN. O'DANIEL SPEAKER

Retired Army Lieutenant General John W. O'Daniel is slated as speaker at the banquet. His subject will be "What The Veteran Can Do Now." Banquet tickets still are on sale from the Spring Valley and Lemon Grove VFW's and the World War I Veterans. A turkey dinner will be served.

Tickets may be purchased at S.V. Center during Thursday, Friday and Saturday or from any of the following, all of whom are on the planning committee for Veterans Day: Frank Capron, HO 6-7676; Howard Carlson, HO 6-8260 or M. C. Elledge, HO 9-8035.

U.S. Army Special Forces Troopers will appear at S.V. Center on Friday night as part of the Veterans Day program. They will be in battle dress and will put on military demonstrations relating to their strategy in war. They will make appearances before the public at 7 and 9 p.m.

Named Matador Queen

NAMED HOMECOMING QUEEN of 1962 of Mt. Miguel High school at Friday's football tilt between her school and Monte Vista High school, was Miss Patti Long. Here she is shown during the game's half-time when a young man on the right, assisting a not visible young man on the left with Miss Long's coat was among the many Matadors paying homage to their pretty queen.

PARKING SPACE NIXED FOR L.G. BUSINESSMAN

SAN DIEGO (CNS)—A Lemon Grove man who purchased land for a parking lot for his auto supply store, and then black-topped it for this use cannot put cars on his property, the County Planning Commission decided Friday.

Ervin E. Major applied to the commission for permission to use land at 7558 Pacific ave., L.G., behind his business on Broadway, to park nine cars. He said the state had taken land he formerly used for parking.

Major's business property is zoned for commercial use, but the adjacent land at the rear is zoned for residential use, and his application was for a variance to allow the same use for all his land.

Protests against his request were made by Mrs. Spencer Bell, S. V. Bell and Ruth Bell, all owners of property in the immediate area.

Robert G. Berrey, assistant county counsel, said the zoning ordinance permits the kind of variance Major asked only when both pieces of property had been in the same ownership when the area was zoned.

"You can't establish there is a hardship here," Berrey said, "when the applicant bought the land after the zoning."

The request was then denied.

Another Lemon Grove property owner, John C. Maybee, was luckier in his request for a place to park. The commission granted him a variance allowing him to park cars closer to the property lines than the zoning usually permits.

The request was for property on the east side of Fairview drive, just east of Broadway, and the parking is for an apartment.

"CHILD DISCIPLINE" TOPIC OF TONIGHT'S SPEAKER AT VISTA LA MESA

"Child Discipline" is the topic of Wayne Maes, guidance co-ordinator in San Diego county who will speak tonight at the Vista La Mesa PTA meeting in the school cafetorium at 7:30.

Maes was director of phychological services in Lansing, Mich. before joining the San Diego County Department of Education. All parents are invited to visit the school during American Education Week, Nov. 11-17.

SKYLINE PARK COUNCIL TO HEAR REPORT ON COMMUNITY CENTER

A committee was formed to find a good spot for a community center when the Skyline Park Town Council met Nov. 5 and tonight the committee will make a report on its findings at the regular meeting of the Council at 7:30 p.m. at Freese School auditorium. The center is to serve some 18,000 persons in the area.

Combined Choirs To Sing

CONCERTS — The combined choirs of Mt. Miguel and Monte Vista high school will provide Thanksgiving concerts to students of various district high schools. Here, Sandra Beardsley, choir accompanist, rehearses while Robert Boucher, choir director looks on. Both are of Mt. Miguel. The combined choir will perform for Monte Vista Nov. 20 and Mt. Miguel the next day. The choir will also perform for a workshop on Nov. 20 at which five other choirs will be present.

The programs include "Song of Democracy," "A Canticle of Peace," "The Last Words of David," and "Battle Hymn of the Republic."

In addition to Miss Beardsley, officers of the Mt. Miguel Concert Choir include Bob Riggs, president; Jerry Heath, vice president; Carol Ray, secretary; Teri Gale, treasurer; Linda McClellan, librarian; Ginger Crocker, social chairman; Patty Parks, robe chairman; Leah Lindberg, publicity chairman; Bill Simmons, properties chiarman; Susan Wheeling and Floyd Parsons, historians; and Ray Woods, accompanist.

Lighting District, Christmas Decorations, Beer License Are C. of C. Activities

Time extension for signing petitions for the proposed lighting district was announced on Tuesday by the L.G. chamber of commerce.

Bob Vaught, chamber president, said that petitions were being turned in so slowly that the Nov. 1 deadline had been broken.

"We will get the job completed so that the district, if formed, will be in being by the end of the fiscal year (June 30, 1963)," he said.

Christmas decorations for the business community were handed to Sam Pernicano. In the absence of any program by the L.G. Boosters, Pernicano was instructed to request business firms to coordinate their effort in putting up decorations on a predetermined date. Off-duty firemen will be asked to handle the installation. Pernicano will be available at HO 9-8889 after 4 p.m. daily and each business firm is urged to contact him within the week.

Jim Boyd, local insurance man, was appointed to fill the vacancy created by the resignation of Charles Montgomery, a liquor store operator whose working hours are alternate days and nights, making it impossible for him to attend board meetings regularly.

The board was asked by the L.G. Men's club to investigate the protest spearheaded by a local resident which has prevented a beer-wine license being issued to Food Basket. A committee was named headed by attorney Earl Smart to study the complaint that "not enough people are championing the cause of business" and that "the growing loss of business in the community is affecting those businesses still open here."

The board will meet at El Morocco in December, Vaught announced.

Accident Every 12 Years Is L.G. Average CHP Officer Annis Tells Men's Club

California Highway Patrol Officer John Annis, who lives in Lemon Grove, told the Men's Club Friday that any person who has driven 45 years has had four accidents and the accidents are about 12 years apart. This is the national average, too, he said.

Distant travel and high speed contribute less to accidents than most people believe, he reported. More than 75 per cent of all accidents occur within a 25 mile radius of the driver's home and at a moderate speed, he explained.

California should be properly proud of the traffic laws enforcement program, he said. The state has a low rate of accidents per million miles driven in spite of the fact that more traffic passes through the one four level interchange in L.A. than a number equal to all vehicles registered in any one of the nine states having the lowest registration.

There were 29 property damage accidents in the 37 traffic violation citations issued in Lemon Grove in October, he said. Twenty-one per cent of these involved "drinking driving." Ten accidents were because of excess speed. Ten involved rights-of-way.

A person in bad humor is prone to accidents. Most drivers get bad humored just observing other bad drivers, he said.

The program this week will be presented by M/Sgt. Edward R. Edwards, a U.S. Army veteran who has served 26 years. He will discuss U. S. Army Special War Forces. The meetings are open to all men and veterans are cordially invited to hear Sgt. Edwards' talk. The meetings are held at Michael's each Friday at noon.

"FOCUS ON CLASSROOM" THEME OF PALM PTA MEETING ON TUESDAY

The Palm Junior High PTA executive board will meet on Tues., Nov. 15 at 7:30 p.m. at the school. "Focus On The Classroom" will be the theme of the meeting. Parents will go through a schedule their children follow each day.

Chairmen for the meeting will be Mrs. Max Goodwin, parent education; Mrs. H. Heath, courtesy, and Mrs. M. Foster, hospitality chairman.

Public the Loser In Race Of School Superintendent

Few will argue that the forces of education were the loser as a result of the campaign for the California Superintendent of Schools job.

It was one of the bitterest battles we have ever witnessed, in spite of the non-partisan coloration of the fight.

Both Mr. Rafferty and Mr. Richardson ought to be ashamed because neither of these gentlemen urged his supporters to cut down on vituperation anytime during the battle.

Persons who became jesuit to the cause apparently lost their sense of reason and attacked everyone in all directions and at the same time.

The woman who called us at home and browbeat us for the stand we were going to take for Richardson without ever inquiring what our position would be, is a case in point. It so happened we supported Max Rafferty but we told no one until our list of endorsements was revealed last week.

A female Raffertyite used profane language, anonymously, of course, in telling us the kind of four-letter heel we were for supporting Richardson.

It would be less frustrating to deal with the inmates of a happy house where the population is acknowledged to be cracked than it was to try to understand some of the idiocy the Superintendent of Education race brought forth.

Yet, from some of the more sordid things comes a product of value.

If a race bearing on the educational functions of our state draws so many vermin from the woodwork, perhaps the Assembly will sponsor legislation making the job appointive as it is in some other states. This will reduce the public backstabbing and name-calling to a minimum.

Anyway you look at it our school system has suffered because the race suggests that two bums were trying for the job and the craftiest bum won.

Let's Set a Deadline

Open - end diplomacy, such as being practiced by our President and his advisors in Cuba at present, can only lead to havoc.

The very proper demand for the dismantling of missile bases there was fine . . . up to a point. Demanding that the dismantling be done "in a reasonable time" instead of a definite period, such as "in two weeks" for example, reduced much of the strength the President mustered to resist the communists' intrusion.

Communists operate like children testing their parents and can easily detect the limitations to which they may go before retribution comes. Without our establishing a time limit, Castro will continue to do the Kremlin's bidding and the Kremlin will continue to test us.

The administration's premise that setting a deadline in Cuba will provoke war is a false one. It is as false a theory as the one it offers in other parts of the world where it warns that confrontation with the communists will bring war.

Confrontation, as proved in Cuba, didn't bring war. It

In the racing last Sunday at the popular Gillespie Field track, car 62, which is a Studebaker was subjected to a broadside hit deluxe by one of Hale's fellow drivers and took a roll, losing much of the little automotive glamour it had left.
This Sunday at 1:30 p.m., stock cars go into actain again at Cajon Speedway. A 25-lap main is planned, and Hale, Moore and the driver that broadsided Hale will be among drivers providing racing thrills for spectators.

BILLIARD AREAS OF NEW NOT LIKE "POOL HALLS" OF OLD, SAYS CHERRY
or
MOTHER, YOU'RE QUITE A POOL SHARK—ER—BILLIARD PLAYER NOW

Frank Cherry, who is running the new billiard area at Lemon Grove Bowlero, is trying to do something about a false idea. Billiards is a nice family game, he feels and when it adjoins a bowling alley where men and women and children are having clean, wholesome recreation together, Frank's billiards become a far cry from the old "pool room."

The smoke-filled poolroom of movies and television—and real life to some extent—frequently is only a doorway away from a card room and almost as close to a bar. In movies and television, the characters that "hang around" pool halls are not of the church type.

How does Frank Cherry rid people of the false idea that his billiard area—and others like it—are not poolroom hangouts for non-churchgoers? He's working on it. He hopes that soon many families will be dropping by regularly for group recreation. It's legal, you know, for kids to play if accompanied by parents.

And, Reverend, how many "pool rooms" have wall-to-wall carpeting?

Citrus College Ends Losing Streak, Beats Grossmont By 10-6

The Citrus College Owls tri-umphed 10-6 over the Grossmont College Griffins to end a two-year, 16-game losing streak, Saturday night, in the victor's stadium.

A fired-up Citrus team recovered a Griffin fumble in the first quarter and turned it into a field goal. Daniel Keyes booted the 12-yard 3-pointer after the Owls were unable to move the ball.

The Griffins retaliated with a 95-yard drive to paydirt. Several passes by George Sherrod and runs by Mike Shaw and George Engle paved the way to the Owls' 3-yard line. On the next play Art Whaling scampered around end for the score. The Griffins failed on the extra point.

Just before the end of the first half, the Owls scored again. This time Jim Walters, and Owl safety man, intercepted a George Sherrod pass and raced 65 yards to the Griffins' 10-yard-line. Several key penalties against the Griffins moved the ball within 2 yards of paydirt.

As the gun ended the first half, Wayne Jeu, the Owls' halfback, bucked over for 6. They added the extra point and went into half time with a 10-6 edge over the Griffins.

The final two quarters showed no crucial advancement by either team and the Owls prevailed with a 10-6 victory.

The Griffins are on the road again next week when they travel to Chaffey College. The Griffins expect to meet a tough, rugged Chaffey team.

Kickoff is at 8 p.m., Saturday, Nov. 10 at Fontana High school stadium.

Candy Garden, Run By Barneys, Features Home-Made Confections

Newly-opened across from Mason's Feed Store on Broadway in Lemon Grove is the Candy Garden, a place where the best ingredients get made into the best candy, according to Frank and Nancy Barney, proprietors.

The Barneys insist that their "home-made" candy is something everyone should try. They invite people to come into their shop and see and taste for themselves.

Located at 8309 Broadway, the Candy Garden is open from 12 noon to 6 p.m. daily and Saturday and until 9 p.m. on Fridays. During the mornings, Mrs. Barney said, she and her husband are busy in the rear of the place in their "candy factory," producing irresistible confections. Candy is made here for their other store too, which is in Escondido.

The Barney candy phone number is 463-7615.

Lemon Grove Benefits Listed

United Community Services Quota Is Less Than $10,000

How much does Lemon Grove really get from United Community Services?

Its quota is $9,950 in the UCS drive currently underway. How much does Lemon Grove get back in terms of services to its residents?

According to a Community Welfare Council report issued in 1961, 29 agencies receiving their operating funds from UCS were vitally concerned with the Lemon Grove area.

Agencies' services cannot be reckoned in dollar and cents. For services range from the visits of a highly trained physical therapist to children happily splashing in a YMCA pool. But the number of times agencies extended their services can be reckoned, and this is the basis of the Council's report.

Although one may be positive that he or she did not receive any benefits from UCS agencies, how about the family? Is your daughter a Girl Scout? Lemon Grove numbers 637 Girl Scouts - a UCS supported agency. And 544 Boy Scouts.

The child next door who seemed hard of hearing. Another UCS agency, the H.E.A.R. Foundation of San Diego County spent 75 hours testing and giving therapy for deafness and hearing defects among Lemon Grove children.

The couple down the street beset with legal difficulties. The Legal Aid Society used some of its UCS contributed funds to aid 107 Lemon Grove residents.

VISITING NURSES

The Visiting Nurse Association of San Diego County provided wheelchairs, physical aids and visiting nurse services besides contributing to medical research to aid 60 Lemon Grove residents suffering from this incurable disease.

United Cerebral Palsy of San Diego County services were extended 200 times to Lemon Grove residents and included transportation to the Foundation's pre-nursery school training center, visiting and counseling parents and recreation for cerebral palsied sufferers.

CHILD GUIDANCE

The Family Service Association had 242 in-person interviews; the San Diego Children's Home Association gave 412 days child care; 195 visit were made to the Child Guidance Clinic by Lemon Grove residents.

The American Red Cross, San Diego County chapter, served 859 persons in Lemon Grove and the Catholic Casework Bureau aided 240.

Those children splashing around at the "Y". The YMCA numbered participation in its activities 5,263 times by Lemon Grove residents and the YWCA, 4,627 times.

"Just add up your own estimate of the value of all these services in dollars and cents and you'll find your community receives much more than it is called on to give in this drive," said J. Harvey Chambers, UCS campaign chairman.

"That's why the UCS campaign deserves your strongest support. I urge everyone to give the United Way."

SEVEN LOCAL STUDENTS HIGH ON NATIONAL MERIT TEST

Seniors of the Grossmont Union High School District have been honored this month for high performance on the National Merit Scholarship Qualifying Test. Although not qualifying as semifinalists nor permitted to go on in competition, these seniors ranked very high and received commendation in special letters signed not only by the president of National Merit but also by their high school principals.

Besides, in a more practical sense, such a student is rewarded by having his name, address, and test scores sent to the two colleges he chose when he took the test, calling to the attention of those schools the fact that a very able student who wants to attend that school needs financial help.

Lemon Grove and Spring Valley students on that commendation list are as follows:

Charles Spalding III, 9501 Montemar dr., S.V.; Lynn Williams, 10333 San Carlos dr., S.V.; Karen Christy, 8526 Troy st., L.G.; Thomas DeGraff, 8765 Innsdale, S.V.; Charles Hansen, 8016 Longsdale, L.G.; Ron Williamson, 1983 Fairhaven, L.G., and Daniel Worrells, 1411 Madera, L.G.

stopped it. Dangers of war can be further reduced by setting a deadline for the missile facilities in Cuba to be hauled down . . . or we'll go in and haul them down ourselves.

The administration must certainly know by now that Americans are unafraid to confront the communist . . . but firm rules must be laid down now.

It should be no secret that rules so vague that the citizens of the United States couldn't understand them, could not be understood by the communist.

Proof of the open-end diplomacy was shown when Anastas Mikoyan, first deputy premier of Russia was sent by the Kremlin to oil the Carribean waters a few days a go.

His first stop: New York to talk to John McCloy, chairman of President Kennedy's Cuban negotiating team.

His question: What are the rules?

An Unlove Note To The Tax Collector

Property owners got their county tax bills last week during the heat of election. Consequently the howls you hear at tax time were all but drowned out.

As usual, the bills reject the time-tested philosophy of mass production where it costs less as more of a thing is produced.

For the merchandise our tax bills buy it ought to be paraphrased, "you get a lot of government but it costs an awful lot of money."

'BACK TO SCHOOL' FOR MOM AND POP

Programs For Parents To Be 40th Education Week Feature

Lemon Grove schools celebrate the 40th anniversary of American Education Week from November 13 through November 16 with traditional invitations to parents and patrons to visit classrooms and see education in action. Doors are wide open at all schools.

At the junior highs, Lemon Grove and Palm, Principals Sutton and Brogan announced that "back to school" night will be on Thursday, Nov. 15. Parents will follow the schedules of their children through an entire day of instruction with classes limited to 10 minutes rather than the usual 55 the students have daily.

Following brief PTA meetings in auditoriums at 7:30 p.m., parents will begin "classes" at 8, with adjournment and refreshments again in the auditoriums at 9. Student guides will assist "lost" parents in the halls between classes.

At the elementary schools, visitations will be during regular school hours. Several schools are scheduling special demonstrations; announcements of these will be sent home with pupils. Each principal stated that although visitors are always welcome, parents should make a special effort to come to school next week. Young students are anticipating parents' visits.

Sample schedule of demonstrations at Mt. Vernon school indicates the types of demonstrations being readied for parons. Wednesday, Nov. 14, will see reading, music, English, arithmetic, and worktime featured by various teachers at specific periods. On Thursday, English and arithmetic will be highlighted.

Note that all public schools are closed on Monday, Nov. 12, in observance of Veterans' Day since the November 11 date falls on Sunday. This shortens by one day American Education Week sponsored nationwide each year by the National Congress of Parents and Teachers, the National Education Association, the American Legion, and the U.S. Office of Education. Theme for this year's week is "Education Meets the Challenge of Change."

"You have to se it to believe it." That's the way most women describe the dramatic electronic range that we will use in our Cooking School this month to prepare a complete Thanksgiving dinner.

"Holiday Foods on an Electronic Range" is the title of this month's program. We'll give you times and details for cooking on your own range but will prepare the food on the exciting new electronic range. It's so fast! We'l cook a 12 lb. turkey in 60 minutes. (You can fry bacon brown and crisp on a paper plate in 60 seconds.) We'll prepare special appetizers, Thanksgiving dinner vegetables and show you how to make Pumpkin Praline and Royal Mince pies — all on the electronic range. And we'll do a turkey casserole for a good planned-over meal after Thanksgiving.

You are invited to attend Tuesday, November 13 from 12:30 to 2 p.m. or on Tuesday, November 27 from 10:00 to 11:30 a.m. in the comfortable auditorium of San Diego Gas and Electric Company's Eastern District Office at 104 North Johnson Street in El Cajon.

Join us, won't you, as we get ready for Thanksgiving cooking. There will be free door prizes, and, of course, admission is free.

UCS Drive Gaining Momentum Here

ACCEPTS CHECK — Mrs. Leonore F. Davis, Spring Valley chairman of the United Community Services professional group collections, accepts check from Dr. Joseph F. Contasti, M. D., who is the doctor for the Monte Vista High school football team and has his private practice at 4005 Citradora, S. V. Mrs. Davis, one of the UCS group chairmen in Spring Valley lives at 9829 La Cresta rd. She is also vice chairman for District 10, Girl Scout Council of San Diego County, teaches Sunday School at S. V. First Baptist church and is a PTA room reprsentative at Highland Elementary school.

Mrs. Earl D. Jones of 3975 El Canto is general chairman of this year's United Community Services drive in Spring Valley. Alan Soule, staff director for the Heartland area part of the county-wide UCS drive, said that 53 percent of the total county goal of $3,883,773 has been attained. He added that the drive in Lemon Grove and Spring Valley is gaining momentum.

In Lemon Grove, Jack Cummings is general chairman. He is manager of the new Lemon Grove branch of Bank of America.

Soule announced that the LG-SV goal this year is $9,950, adding that county-wide the drive is slightly ahead of where it was at this time last year.

Soule said that "there was wonderful response from Byron Netzley's group in Lemon Grove." Netzley is superintendent of the L. G. School District and Soule was referring to UCS contributions from teachers and staff of the district.

TRAILER LIFE NEWS

VIEW TERRACE REPORTS WINTER COFFEES GOING AT RECREATION HALL

Most of the summer vacationers have returned and fall festivities are already in the planning stages. Coffee hours are in full swing at the recreation hall where the planning of activities takes place. The Halloween potluck and party was an enjoyable affair. The trick or treaters come to the hall for their goodies here at View Terrace.

We wish to welcome the following new people to our midst: Mr. and Mrs. O. V. Alexander and daughter, Erma Lee. It will be very interesting to see the many new Mobile-homes now being finished at various factories for those who intend to make their future home here at View Terrace.

The decorating committee for the above-mentioned Halloween dinner-party were Thelma Kerr, Dorothy Phillips and Elaine Glover. Nice job, ladies.

The birthday list for the month of October was a short one. Happy returns to Grace Dady,6, Elaine Glover and Everett Kerr.

Big things are being planned for the grand opening of the park in a few weeks. Watch for this event.

Managers Ray and Bea Purtee, accompanied by Bea's mother, Anna Craig, made a fast one-day trip to Salton Sea for a look at the TraileRoyal Marina Estates. It is planned to be one of the most outstanding developments of its kind in the west. The fishing, due to warm weather is excellent.

NEW NEIGHBORS WELCOMED AT SWEETWATER LODGE

We are happy to welcome new neighbors in our community. Mr. and Mrs. Charles Miller came to us from Roswell, New Mexico. Miller is a T.O. planner with General Dynamics. The Millers hope to be permanent, but, as Mrs. Miller explained, a T.O. Planner may be called to almost any part of the world at any time.

Mr. and Mrs. Sven Lange are back with us after nearly nine months. Lange retired in November of 1961. The Langes sold their large trailer and purchased a travel trailer with the expectation of touring the United States. Two days before they were to start on their trip, Lange suffered a broken ankle. Complication in the healing of the ankle has prevented them from going. We are sorry for their disappointment, but happy to have them back with us even for a short time.

Joseph and Nira Madick and their four children—Teresa, 8, Joe, 6, John, 5, and Leslie, 1 are back in California again after a three-year absence. Madick is employed by General Dynamics. During the past three years they lived in Nebraska, Salina, Kan., and Roswell, New Mexico. Joseph and Nira are natives of Missouri. They are in space 215.

GOLDENS FROM OMAHA

Robert and Marilyn Golden came to us Oct. 25 from Omaha, Neb. They visited friends in California last January and liked the "Golden State" so well they decided to live here. Golden is a cement finisher. He has a good job so everything is going well with them. Welcome to Sweetwater Lodge and to California.

David and Madeline McGregor occupied space 253 on Oct. 10. They are natives of Michigan, came here from the Great Lakes Navy Station at Waukegan, Ill. McGregor is a chief in the Navy. Madeline is interested in sports. Happy sailing to them.
